Annual Family Memberships Available

(Memberships do not include school visits)

Members receive unlimited visits to the farm during daylight hours. As a member you need not call ahead. Come and wander through the barns and pet animals. Feel free to come out on weekends or weekdays. Bring your friends for a picnic. We have an honor system admission/donation box on the bulletin board.

You are welcome to visit the animals in the barns or pastures (just close the gate/door behind you). Hike in the woods, have a picnic (please take trash home with you). Century House is not usually open on the weekends unless we have a group scheduled.

Since Learning Tree Farm is a non-profit organization and not supported by tax dollars like park systems, Learning Tree relies on admission fees, memberships, donations, grants and volunteer help. Your admission/membership donation helps defray the cost of feeding the animals and maintaining the farm.
