

Learning Tree Farm has joined with PNC to create an amazing opportunity for 2021! Thanks to PNC your family can receive a PNC Grow Up Great Farm Pass to Learning Tree Farm. This pass allows your immediate family to receive unlimited drop-in visits to the farm for one full year during regular hours of operation.

Learning Tree Farm is located in West Dayton and is set on 85 acres. On the farm your family can take a walk in the woods to the tire swing or observation tower, play on our nature playscape, explore our vegetable gardens, and walk into each pasture and pet our farm animals. We have a truly hands-on experience where your children can pick up a chicken, pet a sheep or donkey, climb around on rocks with goats, taste fresh vegetables from our gardens, or explore the wood looking for tracks and animal life.

With this pass you will receive unlimited visits to the farm for 12 months from the date your card is activated as well as email updates on programs we offer, special events, and newsletters in the mail three times a year. This pass only covers your immediate family. If extended family members wish to apply for a pass they may do so separately with one of the methods listed below.

To sign up for your Free PNC Grow up Great Farm Pass today please choose one of the following options:

1. Fill out the form below and mail it in to 3376 S. Union Rd. Dayton, OH 45417
